Distributive Education

Cooperative Part-Time Distributive Education is one of the Vocational subjects offered in Texas High School, to bridge the gap between school and full-time employment. It prepares students to earn a living and trains them for advancement in their chosen careers. In this program the public schools and business institutions cooperate in training youth; the schools provide training directly related to the distributive work of each student, and the employers give the youth specific training on the job. A group of students under the direction of Mrs. Allen, Coordinator, are shown receiving classroom instruction.

SUMMARY OF 1947 SEASON

The Texas High Tigers began the Season on September 1st, 1948, with 10 lettermen returning from the previous year.

The first game was with Sulphur Springs there on September 12, with the Tigers winning 40-0. Next came the Stephen F. Austin game on Sept. 19 here, with the Tigers winning a 6-0 mud battle. Orange was the next team to go down before the Tigers, 33-7.

The first district game of the year saw the Tigers lose their first game, a heart-breaking 0-9 loss to Longview. The next four games were all on the win side, the Tigers defeating Tyler 19-13, Gladewater 13-6, Marshall 7-0 and Henderson 33-12.

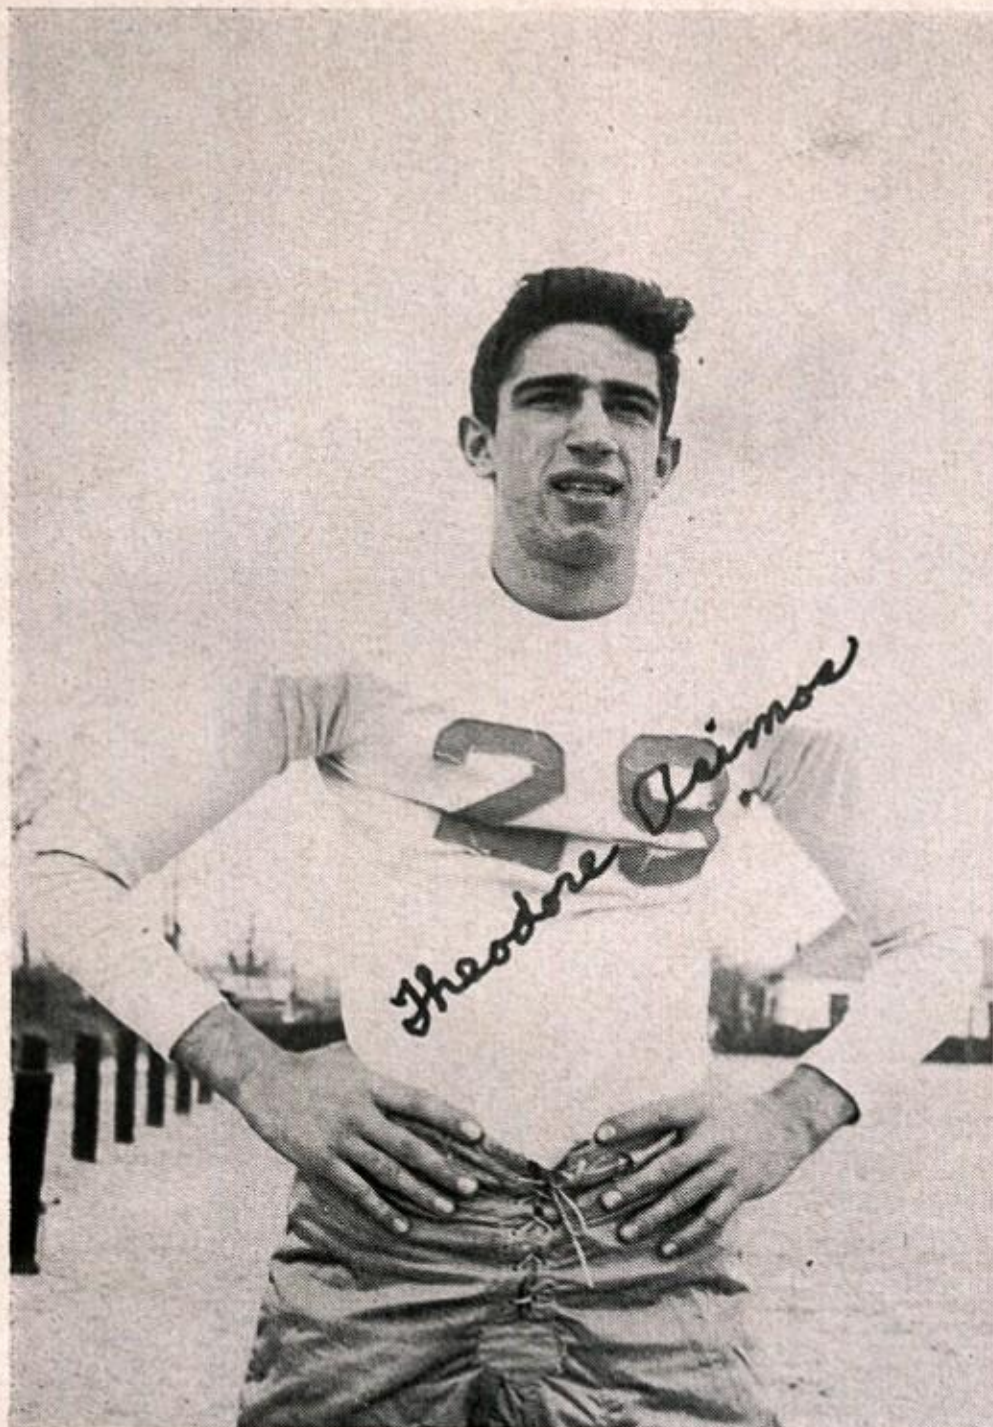

Another mud-battle, this time with Kilgore, resulted in a 0-0 tie.

Then on Thanksgiving day, the Razorbacks of Arkansas High were defeated for the first time in four years, and by a score of 40-7.

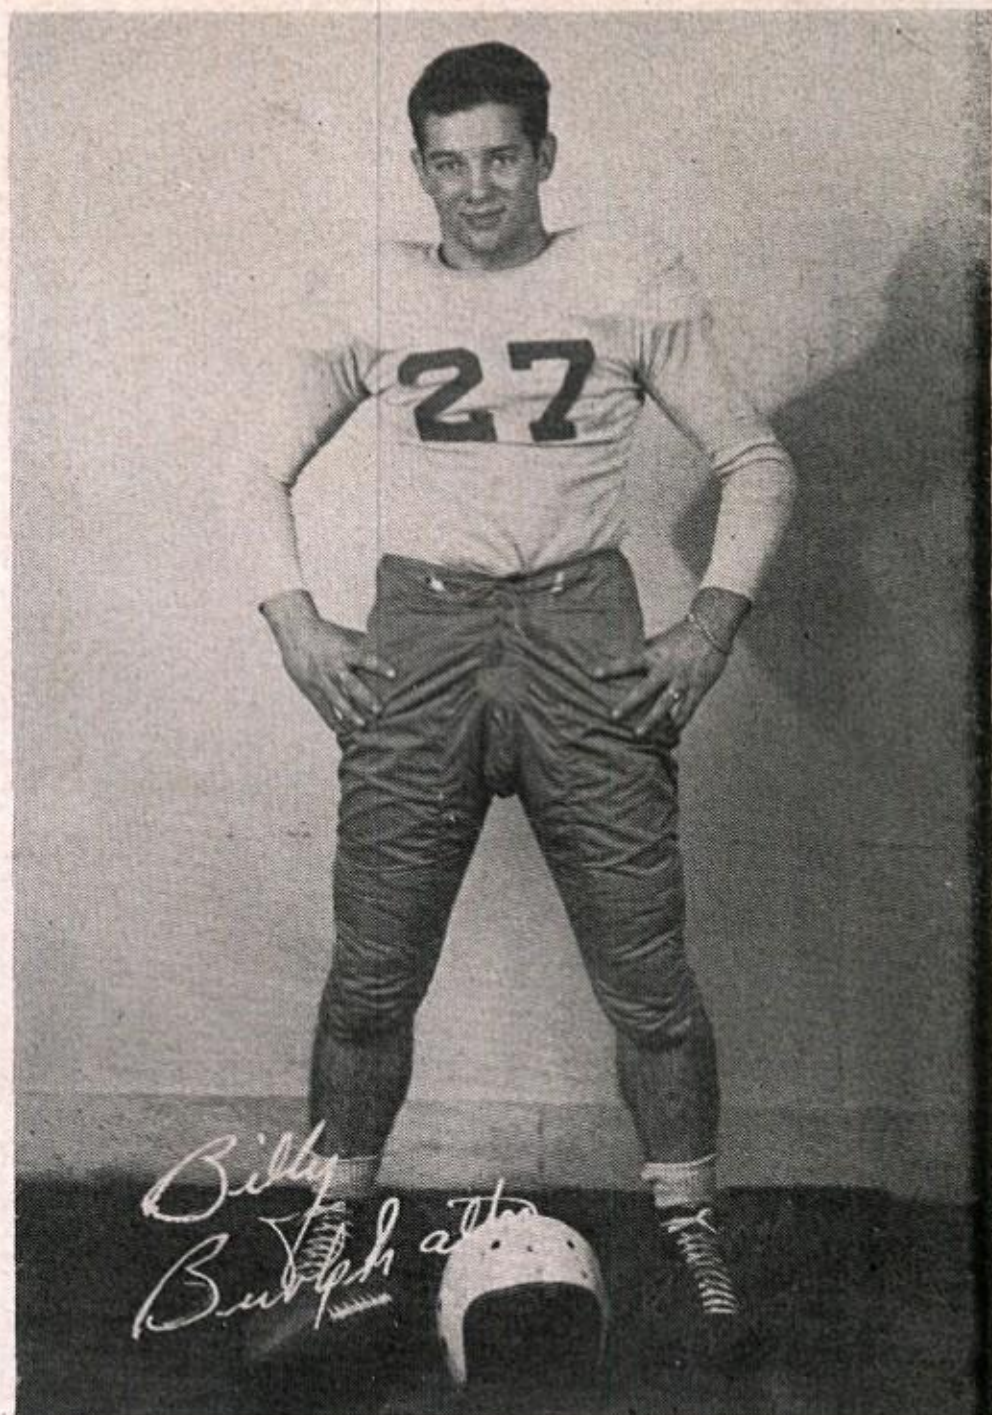

The season of 1947 shows a record of 8 wins, 1 loss, and one tie, one of Texas High's greatest Football years in many seasons.

Also, for the first time in the History of our school, one of our players was chosen All-State. This great honor came to Billy Burkhalter as Fullback on the team.

We are very proud of our boys who brought these honors to Texas High.

BILLY BURKHALTER

Texas High School's first all-State Football player, making the team at the Fullback position. Billy was a unanimous choice for all-District Fullback. He lettered 3 years in Football, 2 years in Basketball, and 1 year each in Baseball and Track. Besides being a great Athlete, Billy was the Valedictorian of his Senior Class, of which he was President. Texas High is proud of Billy, as well as the many other fine Athletes of the past years. When Billy first reported for football, he weighed only 123 pounds, but he had an ambition to be a good player. He had the heart that it takes to go. The above record and pictures prove he completed his high school ambition.

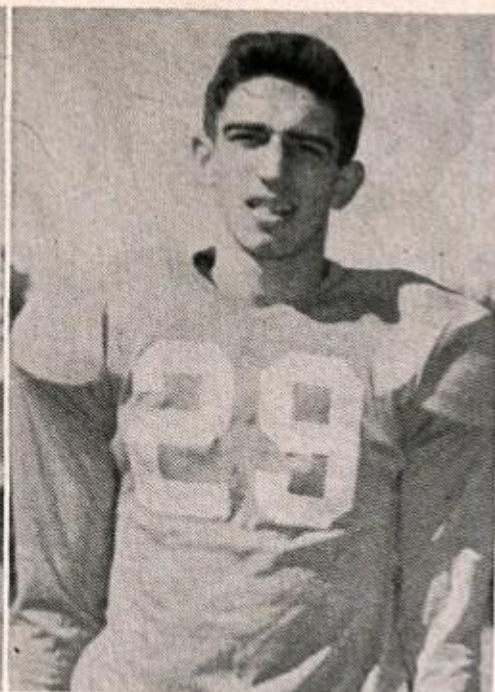

Best of Luck to you Billy, and may we say "Many Thanks" for your help in making our School what it is.

SQUAD — 1ST ROW: COOPER, NORTON, SCOTT, WALL, MOORE, CARTER, HENRY. 2ND ROW: COACH MYERS, TEAGUE, JONES, ASIMOS, SMITH, HORTON, COVERT, GERBER, BAYLESS, AND MANAGER WILLIAMS.

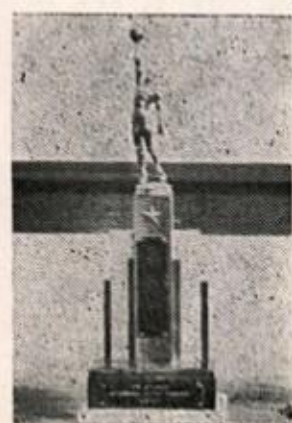

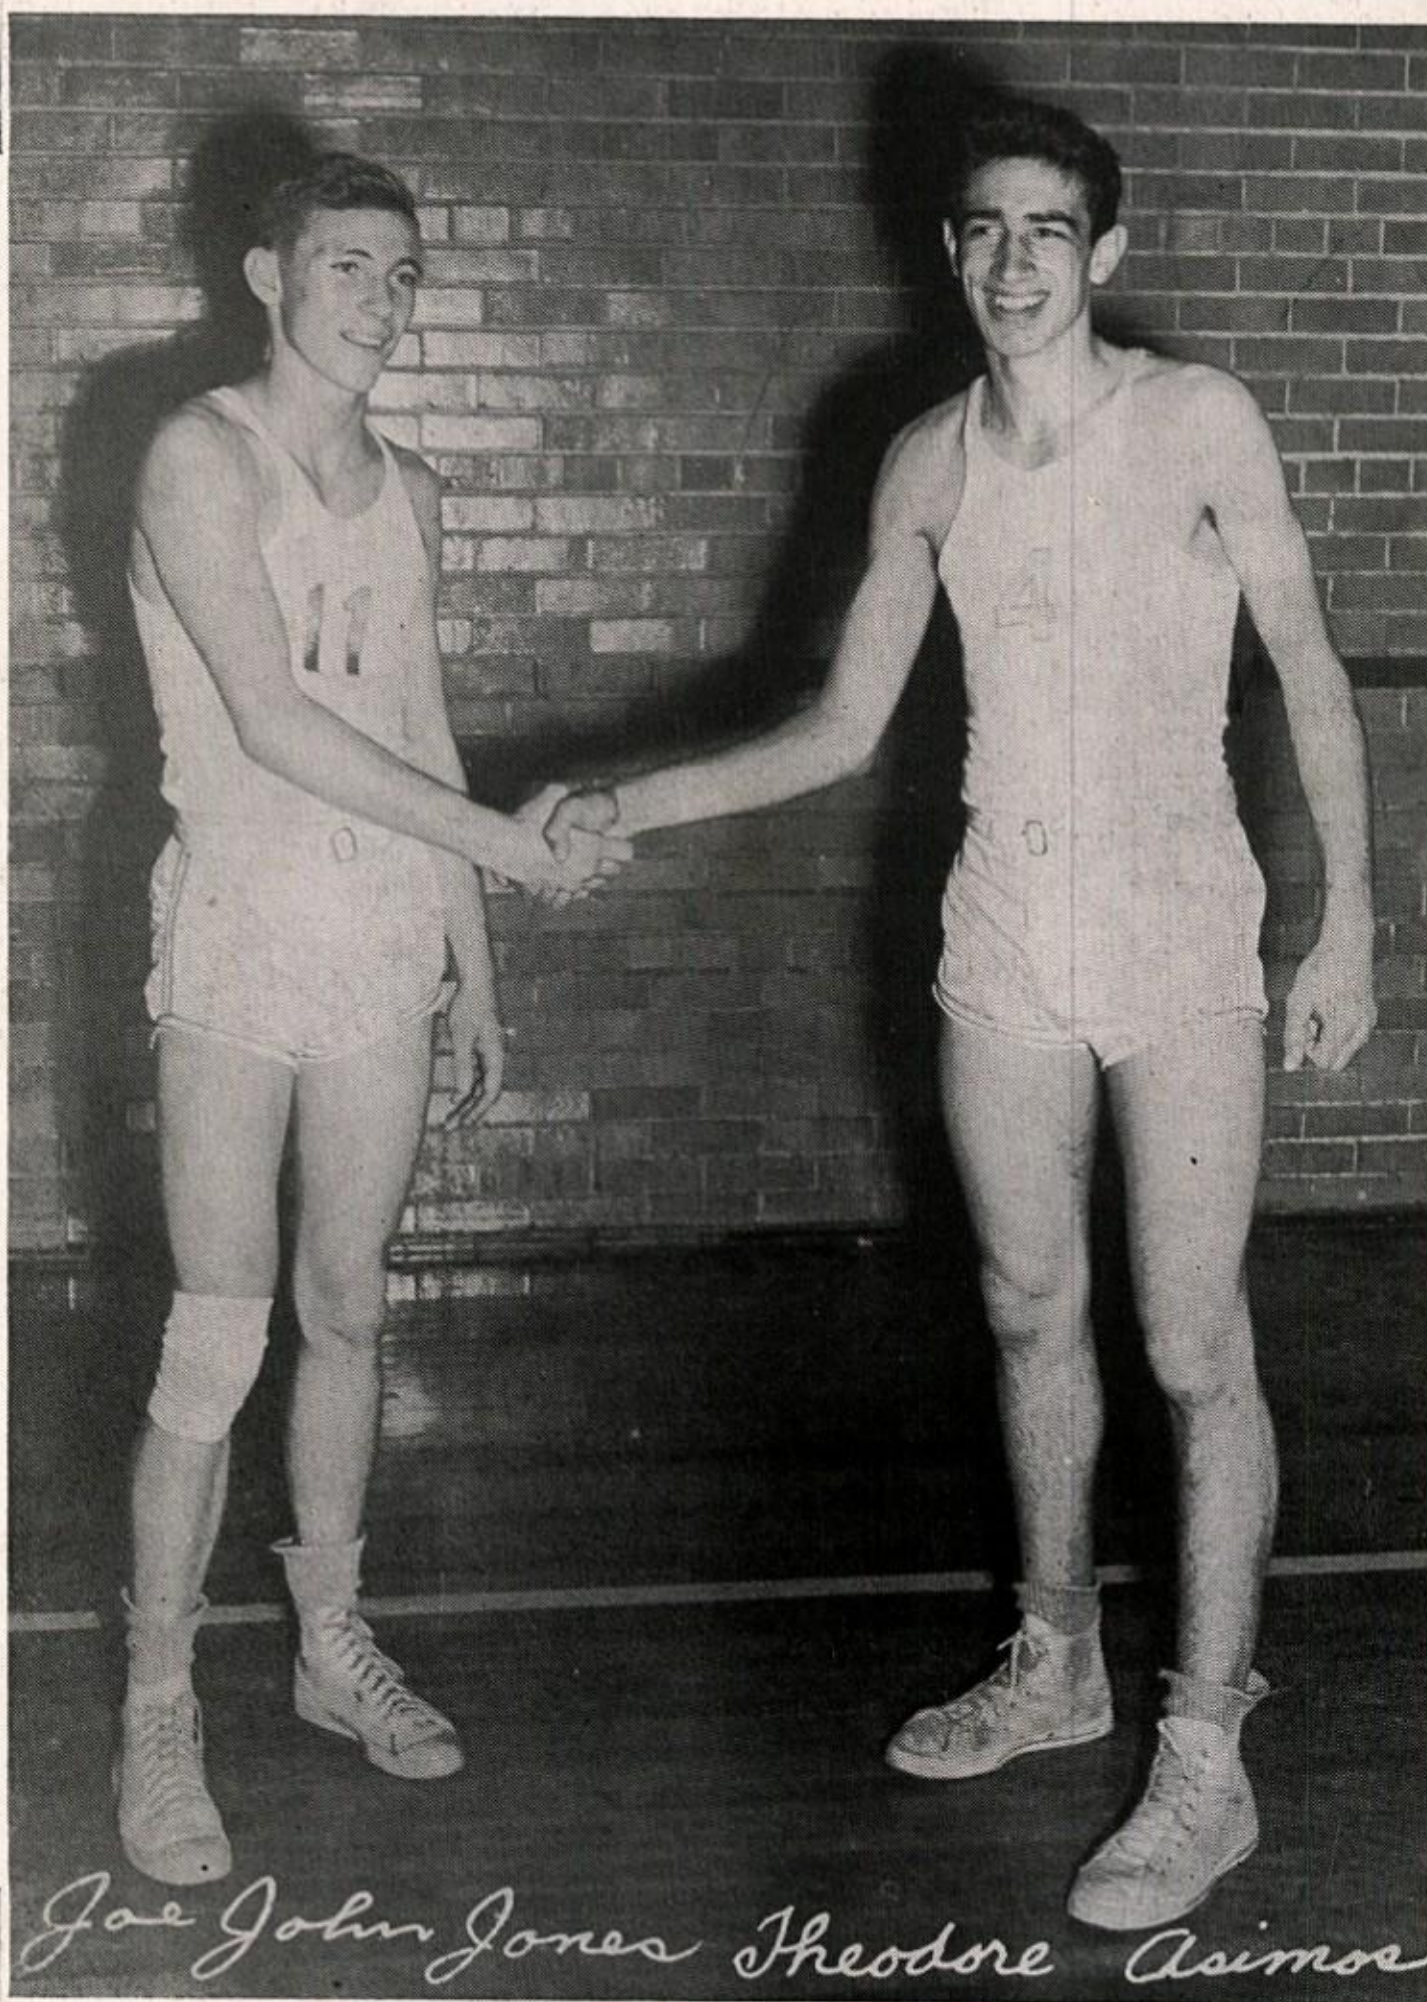

Summary of 1947-1948 Basketball Season

Beginning the 1947 season with 4 lettermen, the Tigers had a big job cut out for them to defend the District 11AA championship which was won the year before.

The Tigers competed in 3 tournaments during the season, winning the Mt. Pleasant Tournament, placing 2nd to Crozier Tech of Dallas in the Kilgore Tournament, and winning the Nacogdoches Tournament for the second consecutive year. Joe Jones and Ted Asimos won all-tournament at all three of these.

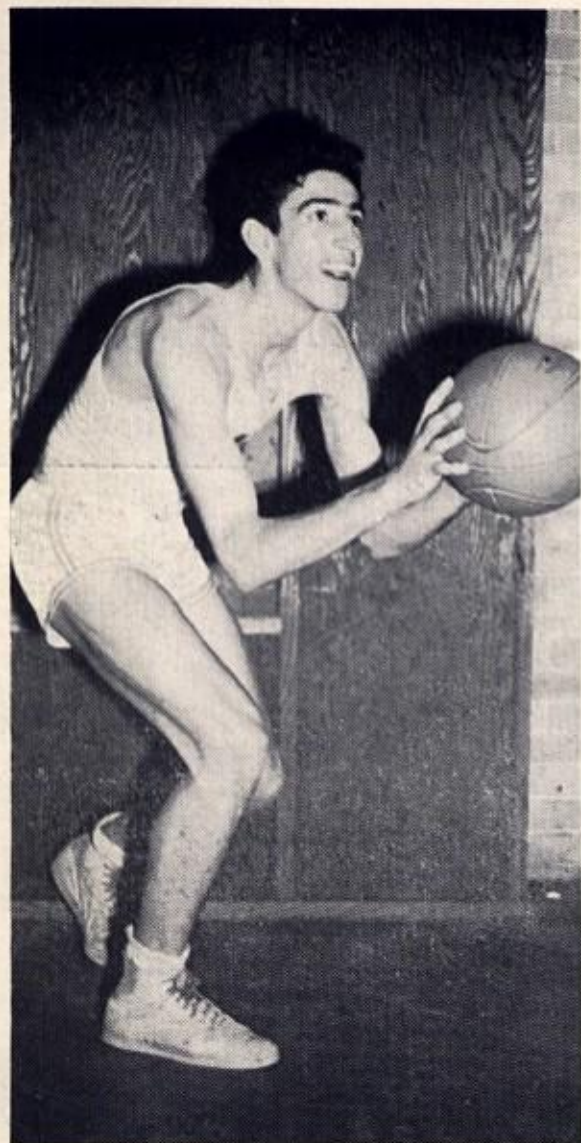

The Tigers won the District Championship for the second year in a row, winning 11 games and only losing one game to Kilgore. They had the best offensive record, and also the best defensive record in the District.

The Tigers were defeated twice by Lufkin in the Bi-District play offs. The season was ended with a record of 29 won and 6 lost. Jones and Asimos made most of the All-District Teams.
